**Don't be afraid of the paintbrush**

CHANGING COLOUR SCHEMES CAN BE DAUNTING – LESS SO IF YOU DIP YOUR TOE IN A PRIMARY PAINT TIN AND LAYER YOUR HUES FROM THERE...

LET THE SUN SHINE IN WITH SAFFRON, LEMON AND CITRINE

Paint your walls in a mellow yellow, then let the colours from your past find a place in your future. Nostalgic tones of sand, mustard and aged orange are refreshed by moving in with their contemporary pastel pals. The look is fresh and soft and oh so inviting.
