Resene Paints B.S.S. 2660 : 101 colour range

This colour range is available in the following finishes:

Resene Hi-Glo Acrylic • Resene Sonyx 101 • Resene Lumbersider • Resene Zylone 20 • Resene Zylone Sheen
 • Resene Enamacryl Waterbased Enamel • Resene Lustacryl Waterbased Enamel
 Resene Super Gloss Enamel • Resene Lusta-Glo Enamel, and all other architectural and specialist finishes*

*Conditions apply

Resene Sonyx 101

SEMIGLOSS - Exterior/Interior
Based on a tough 100% acrylic resin ensuring maximum durability in both exterior and interior surfaces. Available in BSS 2660, 5252, and Resene Total Colour System to give over 900 colours. See Data Sheet D30

Resene Hi-Glo

ACRYLIC HOUSE AND ROOF PAINT
GLOSS - Exterior

Based on unique 100% acrylic resins for ease of application and maximum life over primed timber and galvanised iron surfaces. Ideally suited for direct application to cementitious surfaces. Available in BSS 2660, 5252, and Resene Total Colour System to give over 900 colours. See Data Sheet D31

Resene Lumbersider

LOW SHEEN - Exterior/Interior
A solid wood finish based on a tough 100% acrylic resin ensuring maximum durability and toughness in both exterior and interior situations. Lumbersider imparts a solid, natural low sheen look that is fully washable. Available in BSS 2660, 5252, and Resene Total Colour System to give over 900 colours. See Data Sheet D34

Resene Zylone 20

FLAT - Interior
Zylone 20 is the result of advanced technology and produces a smooth yet ultra tough flat surface which can create a sensation of surfaces without dimension. Available in BSS 2660, 5252, and Resene Total Colour System to give over 900 colours. See Data Sheet D37

Resene Super Gloss Enamel

GLOSS - Exterior/Interior
A durable flexible, high gloss finish for exterior and interior surfaces. Super Gloss Enamel dries to a mirror gloss finish with extreme ease of brushing. Available in BSS 2660, 5252, and Resene Total Colour System to give over 900 colours. See Data Sheet D32

Resene Lusta-Glo Enamel

SEMIGLOSS - Interior
A tough durable enamel based on a flexible alkyd resin which gives fast drying and maximum durability in all hard working areas. Lusta-Glo dries to a beautiful smooth elegant semi gloss finish. Available in BSS 2660, 5252, and Resene Total Colour System to give over 900 colours. See Data Sheet D33
