Toys and Games  
with Mark Rayner – 23

Transform old wooden building blocks into an entertaining cube puzzle using a rainbow of Resene colours.

### You will need:

- 27 wooden cubes (we used old building blocks)
- Paintbrush
- PVA glue
- Resene Quick Dry
- Resene testpots of Resene Fizz, Resene Get Reddy, Resene Gobstopper, Resene Kermit, Resene Lochmara, Resene Orang-atan and Resene Surfs Up.

#### Step one

Glue the blocks into the configurations shown and allow PVA glue to dry.

#### Step two

Apply one coat of Resene Quick Dry to the puzzle pieces and allow two hours to dry.

#### Step three

Paint the first shape with two coats of Resene Get Reddy, allowing two hours for each coat to dry.

#### Step four

Paint the second shape with two coats of Resene Orang-atan, allowing two hours for each coat to dry.

#### Step five

Paint the third shape with two coats of Resene Fizz, allowing two hours for each coat to dry.

#### Step six

Paint the fourth shape with two coats of Resene Kermit, allowing two hours for each coat to dry.

#### Step seven

Paint the fifth shape with two coats of Resene Lochmara, allowing two hours for each coat to dry.

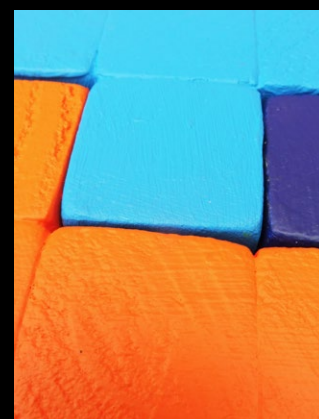

#### Step eight

Paint the sixth shape with two coats of Resene Surfs Up and the final shape with two coats of Resene Gobstopper. Allow two hours for each coat to dry.

### To get the look:

Mark painted the table with Resene Lustacryl tinted to Resene Havoc.

### Other ideas:

Use plain cubes of wood and stain the finished puzzle with Resene Colorwood coloured stain or Resene Colorwood Whitewash.
