

SEED MARKERS

Use these fun pebble markers as a reminder of the seeds you've planted and where you've planted them.

WORDS & PHOTOS MARK RAYNER

YOU WILL NEED

- Clean flat pebbles (x 4)
- Paintbrushes
- Resene Quick Dry
- Resene testpots of
 - Resene Alabaster
 - Resene Cioccolato
 - Resene Red Berry
 - Resene Spritzer
 - Resene Supernova
 - Resene Surfie Green
 - Resene Tory Blue
 - Resene Tree Frog

Step 1 Apply one coat of Resene Quick Dry to a pebble and allow to dry.

Step 2 Paint the pebble with one coat of Resene Surfie Green and allow the paint to dry.

Step 3 Apply a second coat of Resene Surfie Green to the pebble and allow the paint to dry.

Step 4 Paint a sunflower shape on the front of the pebble using Resene Supernova and allow the paint to dry. Apply a second coat and let this dry too.

Step 5 Paint a circle in the centre of the sunflower shape, as shown, using Resene Cioccolato and allow the paint to dry.

To make the tomato pebble Following the steps listed above, paint the pebble with two coats of Resene Spritzer and then paint the tomato with Resene Red Berry and Resene Tree Frog.

To make the daisy pebble Following the steps listed above, paint the pebble with two coats of Resene Tory Blue and then paint the daisy with Resene Alabaster, Resene Supernova and Resene Tree Frog.

To make the chilli pebble Following the steps listed above, paint the pebble with two coats of Resene Red Berry and then paint the chilli with Resene Tree Frog.

HOW TO USE YOUR SEED MARKERS

When you plant your seed in the ground, place the pebble marker about 2-3cm in front. Don't place the marker on top of where you've planted the seed as this will stop it growing.
