Resene

Corner unit

★☆☆ **Difficulty level** ★ easy ★★ moderate ★★★ challenging   **Fun with furniture with Mark Rayner – 63**

You will need:

- Clean cloths
- Corner unit (ours was previously painted)
- Paint stirrer
- Paintbrushes
- Karen Walker Chalk Colour tinted to Resene Cooled Green
- Karen Walker Chalk Colour Soft Wax
- Resene Quick Dry
- Rubber gloves
- Sandpaper

Step 1
Lightly sand the corner unit to 'key' the surface.

Step 2
Wipe off any sanding residue with a clean cloth.

Step 3
Carefully stir the Resene Quick Dry.

Step 4
Spot prime any areas of bare wood with Resene Quick Dry and allow to dry.

Step 5
Carefully stir the Karen Walker Chalk Colour tinted to Resene Cooled Green.

Step 6
Apply one coat of Karen Walker Chalk Colour tinted to Resene Cooled Green to the corner unit and allow to dry.

Step 7
Apply a second coat of Karen Walker Chalk Colour tinted to Resene Cooled Green to the corner unit and allow to dry.

Step 8
Wearing rubber gloves, apply a layer of Karen Walker Soft Wax to the corner unit with a clean cloth. Wipe off any excess wax with another clean cloth and allow the wax to dry.

Use Resene Karen Walker Chalk Colour to quickly transform a plain corner unit into a stylish piece of furniture.

To get the look:
Mark painted the background woodwork with Resene Lustacryl tinted to Resene Alabaster.

Other ideas:
For a subtle blue effect, paint the corner unit with Karen Walker Chalk Colour tinted to Resene Half Periglacial Blue.
