Gorgeous golds, warm yellows and browns, and rich reds and oranges, combined or on their own, bring comfort to any space.

INSPIRED BY NATURE

As we hunker down for the cooler months, add a sense of warmth by bringing autumn colours indoors.

The traditional styling and sense of depth and dimension you can achieve with paint techniques is being reinvented using contemporary colour combinations ideal for today's modern home. Choose a basecoat, then bring it to life with Resene Paint Effects Medium and your choice of marbling, ragging, French washing or limewashing, or create your own signature style. The topcoat will play off the basecoat and give the luxurious sense that your walls are wrapped in layers of colour.

The Resene colour collection includes the latest designer paint hues to dress your home. Available from Resene ColorShops and resellers. resene.co.nz/colorshops; 0800 737 363. Please view a physical Resene colour sample before making your final choice.
